**PERSONAL.**—Mr. Clarence Leadbeater has gone to Atlantic City for a two weeks' stay.

Cards are out for a dancing reception to be given by Miss Mary V. Harlow Monday night at Schiller's Hall.

Mr. C. A. Silling, of Manassas, has secured a position as shipping clerk with Messrs. N. Lindsay & Company.

Judge Norton and Mr. L. C. Barley left last night for Norfolk on legal business.

Mr. John R. Matthews, the young Englishman, who visited this city and vicinity last summer and preached a series of remarkably interesting sermons in Leesburg, also in other places, will visit this country the coming summer.

In its account of the public meeting at Stafford C. H. on Wednesday the *Fredericksburg Lance* in its report of the speech made by Mr. F. E. Anderson of this city, says: "Mr. Anderson did not once during his speech announce that he was a candidate for Congress. This impressed the *Free Lance* as unusual, and after the speaking was over approached him and asked him why it was. He said 'I am not a candidate for Congress of my seeking. There is a powerful movement for reform behind me among the people and they are urging me forward to help that reform.' Will you be a candidate for nomination before the Alexandria convention? 'Probably I will. I am in no sense an independent candidate.'"

The friends of Mr. Park Agnew say that he is receiving letters from prominent republicans all over the district and State, complimenting him on the stand he took in holding a "lily white" convention in this city and excluding the negroes from participating in that convention.

Mr. J. M. Love, of Fairfax, was in this city to-day.

Mr. C. E. Walker, of Upperville, accompanied by her three daughters, is visiting her mother, at No. 822 Duke street.

Mrs. F. Chivalley, who was knocked down and badly hurt by a horse near the market on Thursday, is able to be about, but is still suffering with her arm which was badly bruised.

Rev. F. M. Birch, who is now in Washington under treatment of Dr. Wilmer, is expected here on Monday and his many friends in this city will be glad to hear that Dr. Wilmer has given him every encouragement to believe that he will regain his sight.

**POLICE COURT.**—The following cases were disposed of by Mayor Thompson this morning:

Charles Lee, arrested by Officer Sherwood for drunkenness and vagrancy, was sent to jail for five days.

Katie Johnson, arrested by Officer Hall for being drunk in the street, was fined \$1.

Rose Taylor, colored, charged with disorderly conduct, was dismissed for want of evidence.

The following cases were disposed of this morning:

Florence Livingston and Annie Brantman, charged with disorderly conduct, were fined \$1 each.

A man charged with assaulting an acquaintance was fined \$2.

A man charged with selling fish without a license was fined \$2.50.

Four colored boys, charged with stealing \$10, were dismissed after their parents had whipped them.

**Night Report.**—Last night was clear and warm. One prisoner and one lodger were at the station house.

**DEVORCE.**—In Washington yesterday Richard H. Gemeny petitioned for a divorce from Gertrude A. Gemeny, to whom he was married in this city January 17, 1884. He states that six children were born to them and claims that his wife finally deserted him in 1893, after having previously refused to accompany him to Alabama. He also charges that she is of intemperate habits, and is an inveterate laudanum drinker, and declares that he endeavored to have her accompany him to the west that she might be cured of her alleged unfortunate taste. He says he still loves her, but is forced by her conduct to institute the suit for divorce.

**BETTER LATE THAN NEVER.**—Last August Capt. Mushbach, of the A. L. I. sent a requisition to the military authorities in Richmond for sixty overcoats, the necessary chevrons, &c., for the use of the members of his command last winter. To-day Captain Mushbach received notice from Richmond that his requisition had been filled and that the overcoats, &c., had been shipped. It is now believed that the overcoats will reach here in time for use next winter. Military men here says that the military companies outside of Richmond only get what Richmond doesn't want or what is left when the Richmond companies are fully supplied.

**THE MARKET** to-day was attended by more country people than were present last Saturday, but still there were many vacant benches. Poultry was scarce and higher; there were a few spring chickens offered. Butter is low, but the supply is limited. Eggs are also lower and sold at from 11 to 13 cents per dozen. The prices for vegetables remain unchanged. The butchers had bountiful supplies of fresh meats, but prices seldom change. The fish benches were loaded and prices are lower. The display of flowers was very pretty and caused many marketeers to hesitate between the necessities and the superfluities.

**FISH OFFAL.**—When the wind veered to the east about nine o'clock last night the effluvia from Fishtown was wafted throughout the city, and the odor was extremely repugnant and unwholesome. This morning the authorities took immediate action in the matter and caused the offal to be removed as rapidly as possible. The cuttings from the fish had been allowed to accumulate yesterday, and eels and other fish which were discarded had been thrown into the mass. The hot weather soon converted it into a pile of putrefaction. This afternoon three barrels of lime were spread on the mass.

**FISH.**—Since yesterday 250,000 herring and 2,500 shad have arrived at Fishtown. Herring sold at \$1.50 a 2¢ per hundred and shad at \$7 a 10¢ per hundred.

The river is now said to be full of shad and herring and prices have fallen. In Washington and at this city to-day many herring were thrown overboard, and three vessel loads of herring that could not be sold in Washington were taken back down the river this morning to be thrown overboard. In Washington to-day shad sold as low as \$3 per hundred.

**OPERA HOUSE.**—The Irene Taylor Dramatic Company last night presented "Camille" to a very appreciative audience. Miss Taylor assumed the character of "Camille," the title role, with histrionic force, and during the play many eyes were filled with tears. This afternoon the company gave a family matinee. To-night will be the last performance, when "Mabel Heath" the five-act comedy-drama, will be presented. Many specialties will be introduced.

**SENT TO JAIL.**—Charles Lee, a tall individual, who has been working the ex-Confederate game in this city for some time, was picked up on the street yesterday by Officer Sherwood for being drunk. Last night he was brought before the Mayor who sent him to jail under the vagrant act. Lee has been here off and on for several years. He says he is from Georgia and that he is an ex-Confederate soldier. He has been arrested before, but generally managed to get out.

**MAJOR JOHNSON'S DEPARTURE.**—Major A. H. Johnson, late chief engineer of maintenance of way, Baltimore and Ohio Railroad, said good-bye to his clerks and others about Camden station, Baltimore, yesterday. To-day the major will move with his family to his farm at Haymarket. Major Johnson's resignation takes place on July 1st, but he received a special leave of absence from General Manager Greene.

**FOUND DEAD.**—Lloyd Washington, a worthy colored man of Fairfax county, who had lived on the Mount Vernon estate all his life, about sixty years, was found dead yesterday evening. It appears that Washington was fighting a fire that had prevailed in the neighborhood for some days, and it is believed that he was overcome by the heat yesterday and falling was burned to death.

**MINSTRELS.**—Lovers of minstrelsy will receive a rare treat on Tuesday night, the 21st instant, at the Opera House. The celebrated Carroll Institute Minstrels will appear on that night for the benefit of St. Mary's Church, and judging from the advance sale of seats the curtain will rise on one of the largest audiences the Opera House has ever held.

**CASE POSTPONED.**—The injunction case of the W. A. & F. C. Ry. Co. vs. the W. A. & Mt. V. Ry. Co.—the case involving the right of both companies to use the double tracks on Chadwick avenue in Rosslyn—came before Judge Nicol at Manassas yesterday. The matter was postponed.

**THE WEATHER** continues summer like, the mercury at 3 o'clock this evening registering 90 degrees. The promised cold wave has not arrived, but the weather men still say it is on its way in this direction and may be expected at any time.

It's not boastful, "bubbling" words that make D. Bendheim & Sons so triumphantly great. The success of their vast business and widespread popularity is founded on their ability to outclass many other houses in the underpricing and bargain-making power. All this is brought about by having an enormous selling outlet and years of underbidding, knowledge and prestige. Monday's matchless price list shows the results of their latest trade movement. Sale opens eight o'clock sharp Monday evening.

During the winter of 1893, F. M. Martin, of Long Reach, W. Va., contracted a severe cold which left him with a cough. In speaking of how he cured it he says: "I used several kinds of cough syrup but found no relief until I bought a bottle of Chamberlain's Cough Remedy, which relieved me almost instantly, and in a short time brought about a complete cure." When troubled with a cough or cold use this remedy and you will not find it necessary to try several kinds before you get relief. It has been in the market for over twenty years and constantly grown in favor and popularity. For sale at 25 and 50 cents per bottle by L. Stabler & Co., Druggists.

## LADIES' Shirt Waists.

It is a waste of time to talk about these Waists, and we wouldn't have a word to say if you would know of their presence here without.

We can't tell half the story. The Waists are better than words and more convincing. You will agree with us when you see them.

If you want the sweetest Waists in town see these. A distinction and a difference. Our Shirt Waists are distinctly different from Shirt Waists as you commonly meet them; a trifle finer, a little neater, a slight difference in the form, sleeves hang a little better, collar fits a little better. All of these differences are in our favor. Each a trifle in itself, makes a big difference in the waists, however.

You will admit it when you purchase one of ours at 49c, 74c, 89c or 98c. We have also a nice line of all kinds of Silk in waist patterns from 35c per yard upwards.

Don't forget about the Gloves we advertised last week at \$1.

Ladies' Brilliantine Skirts, ready made, at \$2.39.
